# Front-End Web Development

Unit 18: Review and Assessment Week 2

# Objective - Work on your assessment/project under the following guidelines:

1. **Q & A** - 15 mins

2. **Project Work** – 2 hours

3. **Break** - 15 mins

4. **Documentation Review** – 15 mins
   Ensure to document your project thoroughly as it must be included in your final submission

5. **Q & A** - 15 mins

# Project Work – 2 hours

## Development Progress

- Begin actual coding and development of the application
- Track progress against the predetermined feature list and timeline

## Testing

- Conduct initial tests to ensure that implemented features work as expected
- Identify bugs or issues and document them for resolution

## Iteration

- Based on testing, feedback, or new insights, iterate on the initial designs or functionalities

## Documentation

- Start creating documentation for the code and features, ensuring maintainability
